# **Dunvegan Pier Information 2016**

Dunvegan Pier is privately owned and managed by the MacLeod Estate. Located in Loch Dunvegan on the Isle of Skye with direct access to and from the Minch, the pier provides temporary berthing for vessels up to approximately 82m LOA and 1600 gross tons. We cater for a diverse shipping clientele ranging from commercial fishing boats, cargo ships to leisure craft and a busy salmon farming industry.

### Restrictions

Vessels carrying hazardous cargoes must give twelve hours advance notice of arrival to the Pier Master. Diving around Dunvegan Pier is forbidden unless a permit is obtained from the MacLeod Estate Office.

Draft is limited at low water for large vessels. Please contact the Pier Master for further information and see below pier elevation diagram showing bedrock at 5m:

### Safety

Please be aware that Dunvegan Pier is a commercial pier and as such there are regular vessel movements by commercial vessels and fishing boats. Fishing gear is stored on the pier and fork-lift trucks operate 7 days per week. Please be aware of the risks associated with these types of activities and with the unprotected edge on the pier on the Wesrt side. Please ensure you do not undertake any actions that can result in injury to yourself and any other persons using or visiting the pier.

The pier has two clearly identifiable lifebuoys with throw lines as well as two fire extinguishers (red box) and a comprehensive first aid kit (green box), all of which are clearly indefinable. In the event of use of these or damage detected to these please contact the Pier Master or the Estate Office immediately.
